ECO9

Application Requirements

Eco9 is a cross curricular program that will challenge students academically, physically and personally. Students will spend time learning outside and in the community. Independence, work ethic, reliability and passion for ecology and social justice are essential in order to be successful in this program.

This application has three parts:

1. Letter of Interest
2. Teacher Referral
3. Self-Assessment

The application is designed to help you reflect on your strengths, passions, and areas that you may find challenging in the program. Complete the letter and self-assessment with honest and thoughtful consideration. You must complete all three parts to be considered eligible for the Eco9 Program.

Application deadline is May 15th, 2020.

Submit completed applications to the emails below.

If you have questions, please contact, by email, phone, or in person,
Mr. Donald (shaun.donald@lpsd.ca), or Ms. Claxton (erin.claxton@lpsd.ca).

Application Due May 15th 2020

Student Letter of Interest

Please write a personalized **one-page** letter explaining your interest in Eco9. Consider the following topics and provide examples:

- Your ability to make responsible decisions
- Your ability to work independently
- Your relationship with other students and ability to work with others
- Your ability to maintain an active and healthy lifestyle
- Your academic effort
- An area of strength you will contribute to the program
- An area you feel the program will help you to grow
- Term 3 grades

Ensure that your letter is written by you, the student, and that it is an accurate reflection of your abilities. As it is good practice to have someone check your writing, you may have someone proofread your letter for grammar, spelling and fluency.

Application Due May 15th 2020

Eco9: Teacher Referral

Student Name: _____

Dear teacher,

Students applying for Eco9 must demonstrate dependability, reliability and integrity. Students will occasionally be unsupervised and often working independently. They will be working in the community and the outdoors and must be able to make mature, responsible decisions as their actions reflect on the school, affect their peers and poor decisions may cause a safety concern. Students must have the ability to multitask as they will have overlapping responsibilities and assignments. Please complete the following referral to the best of your knowledge.

School Assessment	Disagree	Sometimes	Usually	Always
Student willingly accepts directions from teachers for academic growth and asks for help or clarification.	1	2	3	4
Student is willing and able to collaborate with other students even when their methods and opinion may differ.	1	2	3	4
Student is able to work independently and without direct supervision.	1	2	3	4
Student is able to multitask and manage time effectively.	1	2	3	4
Student willingly volunteers to lead group or follow as needed.	1	2	3	4
Student works safely for the benefit or self and others.	1	2	3	4
Students is punctual and aware that decisions to be late or unprepared affects the group as a whole.	1	2	3	4
Student is accountable for their own actions and communicates effectively to resolve conflict.	1	2	3	4
Student is responsible for belongings and arrives prepared each day.	1	2	3	4
Student willingly participates in physical and team building activities.	1	2	3	4

Eco9 students will frequently be off campus and out in the community. Please comment on the student's independence, work ethic and decision making skills.
